

Hey Neighbor!

Are you busy, tired, immobile? Do you need help with snow removal, or lawn care? Does your dog need a walk, do you need a babysitter?

A young person in your neighborhood is looking to help you out while earning some money. Their goal is (... personal goal/team goal...). They have the full support of their parent/guardian and would be happy to complete any of the following tasks, appropriate to their age and skill level:

Instead of investing in big business for help; support your youth, support their teams, support your community.
