

## Hey Neighbor!

### Who We Are

### Fundraising Goals

### How You Can Help

Heydan is a fun, safe tool to allow youth in their community to complete safe and age appropriate tasks. These may include tasks such as yard clean up, babysitting, snow shovelling, walking dogs, and watering outdoor plants.

Heydan encourages youth responsibility, entrepreneurship, and financial responsibility. Full parental supervision and monitoring is supported through Heydan and youth have control over determining the nature and degree in which they wish to support their personal, team or charitable goals. We are encouraging members to use Heydan as a tool for it's fundraising efforts and contribute of their earnings to our fundraising goals.

Please visit [heydan.ca](http://heydan.ca) for more information and for valuable tools and resources.
